Introduction:-

Bowland Wild Boar Park has a large range of activities to offer groups of all ages. The following pack gives a background to the park, along with some information and ideas to carry out with your class, before, during and after your visit.

A brief history of the park:-

Bill bought the land in 1977 and it was originally a pig farm. Along with the pigs Bill also began to keep Wild Boars as a hobby, when pig farming hit bad times Bill and his family had to find new ways to make a living. In 2000 the park was opened up to the public allowing them to come and see the wild boars. Since the parks opening in 2000 it has gradually expanded to now include:-

- a large range of animals from pigs to meerkats,
- a café,
- A climate change classroom
- A farming and wildlife education room
- tractor and trailer rides
- barrel rides
- woodland walks
- nature trails
- a large play park
- a play straw barn area
- Sculpture walks

Every year we try to find new ways to enhance the park and are always open to suggestions for improvement.

WILD BOAR PARK - GUIDANCE FOR TEACHERS

“Enjoy the peace, take in the fresh air and appreciate this area of natural beauty.”

A visit to Bowland Wild Boar Park (WBP) has endless possibilities to enrich the Early Years Foundation stage (age 3-5) and KS1 (age 5-7) curriculum.

The trails have been developed to enable adults to help children appreciate the environment in which they are visiting, to help them explore their senses and draw comparisons with their own locality.

Special animal and nature worksheets and quizzes can be provided on request. .

Please complete the evaluation sheet at the back of this pack and return it to us at the end of your visit as your feedback is greatly appreciated.

We hope you enjoy your visit and look forward to you visiting again.

**PLEASE WASH YOUR
HANDS AFTER FEEDING
& TOUCHING ANIMALS.**

SAFETY AND THE COUNTRY CODE

The WBP has a number of nature walks for visitors to enjoy. These are shown on the enclosed map.

The paths along the nature walks can be uneven and muddy, especially during wet weather, and strong suitable footwear is recommended.

When visiting the WBP the following points should be noted:

- Always wash hands after feeding or handling the animals.
- Do not feed the pigs or wild boar.
- Keep to the paths.
- Do not climb on fences or gates
- Do not pick any wild flowers.
- Vehicles are in use within the WBP and care should be taken.
- Please observe the safety information posters at all times.

Teachers could also take the opportunity to introduce children to the Country Code.

For more information please visit: www.countrysideaccess.gov.uk

**PLEASE WASH YOUR
HANDS AFTER FEEDING
& TOUCHING ANIMALS.**

PRESTON: ROYAL PRESTON HOSPITAL, SHAROE GREEN LANE, FULWOOD, PRESTON, PR2 9HT, 01772 716565

BLACKBURN: ROYAL BLACKBURN HOSPITAL, HASLINGDEN ROAD, BLACKBURN, BB2 3HH, 01254 263555

- The Wild Boar Park Management have a number of policy and procedure documents, approved by the National Union of Farmers that can be viewed at site, as and when required.
- This is only a guide and it is recommended that prior to your visit you carry out a risk assessment of your own to ensure you are aware of the surroundings and any other hazards.
- When carrying out your own risk assessment on the park you are advised to read the HSE information sheet 'Avoiding Ill health at open farms - advise for teachers'.
- Schools must complete a form 1B and risk assessment and forward them to Lancashire County Council office for approval prior to visiting.
- Please ensure the careful supervision of hand washing at regular intervals.
- Children must be supervised at all times.
- Please arrange a designated meeting place in case of separation—we recommend the education room or the café.

Outline of your day:

10.30 am Welcome

Arrive at the park, staff and children are given a warm welcome in the education centre, including a complimentary drink of tea/coffee for the teachers and soft drink for the children. A short health and safety talk will be given for each school group and a general outline of the activities is discussed.

The welcome will be followed by Chick Stroking

11.00 am Lamb feeding

11.15 am Chick Stroking

**PLEASE WASH YOUR
HANDS AFTER FEEDING
& TOUCHING ANIMALS.**

11.30 am Wild Boar Walk

We will then take your group on a guided walk around the iron age roundhouse, telling you a little bit about the iron age, how food was cooked and prepared in the iron age .
some iron age animals to see and your group can all have a seat and see what the inside of a iron age roundhouse would of looked like then.

12.15 pm Lunch time, time to re-fuel!

Activities for the afternoon include:

1pm Tractor Ride

This leaves enough time for the kids to have a play on the park to wear them out before the bus journey back!

If there is anything else you would like to include please let us know.
If you would prefer not to have any animal contact an alternative itinerary can be arranged on request.

Due to unforeseen circumstances events could be changed without prior notice.

LANCASHIRE POLICY AND GUIDELINES ON EDUCATIONAL OFF SITE VISITS

MONITORING AND SUPPORT

Dear Centre Manager

You will be aware that in the Lancashire Educational Visits Policy under Section 3.1.8 'The Responsibilities of the Local Authority' it states that the Authority would monitor Type A and B Educational Visits on a sample basis. This is with a view to sharing good practice and ensuring that our own procedure is effective.

Clive Barnes from the Monitoring and Support Team undertook a visit with St Anthony's school to the Boar Park on 9th May. I would like to thank you for your support and co-operation throughout the visit and for making Clive feel welcome. The primary objective for the group was to have a farm experience and consider the care and safety of young animals.

It was reported that the arrival of the party at the Park was well handled. Hand washing procedures were clearly explained and the sessions observed were focused and well presented with a good balance of information, health and safety instruction and humour. The staff provided the children with an interesting variety of activities, making the visit a stimulating and enjoyable educational experience.

Thank you once again.

Kind regards

Susan A. Cooke

Head of Physical Education, School Sport & Outdoor Education
